MEDIA KIT

A HEARTWARMING
STORY ABOUT HOPE,
BEING SEEN, AND
THE BEAUTY OF AN
UNEXPECTED
JOURNEY.

ABOUT THE BOOK

Deep in the back of The Old Tree Farm, a little tree dreams of becoming someone's Christmas tree. Year after year, she is overlooked and left behind.

But this little tree never gives up hope. Just when she begins to wonder if her dream will ever come true, something more beautiful and unexpected happens—something she never could have imagined.

A timeless story of hope, belonging, and discovering that the best gifts in life are often the ones we never see coming.
